Doug Newsom, Ph.D., APR and Fellow Public Relations Society of America (PRSA) is a Texas Christian University professor emerita of The Schieffer School of Journalism and the senior co-author of THIS IS PR AND PUBLIC RELATIONS WRITING.

Combining the practical approach of a trade book with fundamental principles and theories, PUBLIC RELATIONS WRITING: STRATEGIES & STRUCTURES, 11th Edition, equips readers with the essential techniques and methods needed to write with understanding -- and purpose. The book thoroughly explains the different styles and techniques behind writing principles. Taking a decidedly strategic focus, the Eleventh Edition guides readers through a logical progression of PR writing. After exploring the roles and responsibilities of the PR writer, the book provides comprehensive coverage of writing principles, preparing to write, writing for select audiences and--finally--writing for crisis situations. The new edition also includes a new chapter on writing for social media, which focuses on the latest information in this changing arena. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Ideal for the beginning student or the experienced public relations practitioner, THIS IS PR: THE REALITIES OF PUBLIC RELATIONS, Eleventh Edition, covers the world of public relations with a strong emphasis on fundamentals such as history and research, as well as emerging issues such as technology, ethics, and the international aspects. With numerous examples, strategies, tactics, and case studies, your students will have resources they can take away from the classroom. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

PUBLIC RELATIONS WRITING: FORM AND STYLE, International Edition combines the practical approach of a trade book with the fundamental principles and theories of Public Relations to provide you with the essential techniques and methods needed to write with understanding and purpose. This text guides you through a logical progression of PR writing, starting with an explanation of how this kind of writing is unique and by exploring the legal and ethical obligations. It will also introduce you to the different styles and techniques behind writing principles that you'll need to develop. The Ninth Edition features a "writing for select publics" section that covers Public Relations writing assignments that you'll likely come across early in your career: emails, memos, letters, reports and proposals, backgrounders and position papers. Writing for mass media and the more complex public relations writing functions, including media kits, media pitches, print and online newsletters, brochures, magazines, including those online, and annual reports are also covered in this comprehensive guide. The new edition features a separate exercise book that contains 3 PR Scenarios and a Quick-Study for each chapter.

PUBLIC RELATIONS WRITING: FORM AND STYLE combines the practical approach of a trade book with the fundamental principles and theories of Public Relations to provide students with the essential techniques and methods needed to write with understanding and purpose. The text guides students through a logical progression of PR writing, starting with an explanation of how this kind of writing is unique, and by exploring the legal and ethical obligations. The text introduces different styles and techniques behind writing principles. Freshly rearranged to better suit the progress of your course through the semester, the Ninth Edition features a writing for select publics section that covers the types of writing assignments students are likely to be exposed to early in their jobs: emails, memos, letters, reports and proposals, backgrounders and position papers. Writing for mass media and the more complex Public Relations writing functions, including media kits, media pitches, print and online newsletters, brochures, magazines, (both online and print), and annual reports are also covered in this thorough and comprehensive guide. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

THIS IS PR: THE REALITIES OF PUBLIC RELATIONS provides information and guidance that will be useful to the experienced public relations practitioner as well as to the beginning student. Students are introduced to the world of public relations through a strong emphasis on the fundamentals, such as history and research, as well as emerging issues, such as technology, ethics, and the international aspects of public relations. With numerous examples, strategies, tactics and case studies, students are sure to be engaged and prepared!
