Clarity for Lawyers Effective legal language by Mark Adler and Daphne Perry. Who is this book for? Lawyers and law-makers in England and beyond, and anyone interested in legal language. What's it for? To make the law more transparent and legal writing more effective. To make life easier for lawyers, their clients, and everyone else. What's our approach?

### Clarity for Lawyers

Mark Adler took over his firm in 1980 and soon adopted a "plain language" policy. He served on the committee of Clarity, the international association for plain legal language, from 1984 until 2010, chaired it for 9 years and edited its journal. Now retired, Mark continues his work in the field, for which he has won a PLAIN International Award.

The Barrister 'Clarity for Lawyers is a practical book, written for lawyers by a lawyer. As you would expect, it's well written and easy to understand. As you might not expect, it's also entertaining. (More than once I was caught laughing out loud while reading it.) I think it will appeal to practising lawyers of all backgrounds and experience levels.'

Increase your efficiency, profits and client approval through the use of clear, modern English. This unique book debunks the myth that legalese is precise. It explains, with many before-and-after examples from legal practice, legislation and case law, how you can increase your efficiency, profits and client approval, while making your documents more readable and reliable.

### Clarity for Lawyers — Law Society Bookshop

After reading Clarity for Lawyers, I am none the wiser as this is a book which outlines the very best practices in good writing. These good practices could apply in any professional sphere, but are wonderfully specific to writing about the law and illustrated with examples which immediately drive the point home.

I selected Clarity Family Law because it is a focused firm which is based locally. The firm did very really well in meeting my objectives and I would recommend them to everyone.

### Clarity Family Law: Clear advice when you need it most

Yes, a lawyer who regularly practised these five habits would already be a good writer, better than most lawyers. But no, there is so much more you can do. I've hardly said anything about organisation, word choice, computer aids to clarity, persuasion, editing, or how misunderstandings arise. That is why the book Clarity for Lawyers exists. This is the book that first taught me good writing, and I'm delighted to have been able to contribute to the third edition.

Book review: Clarity for Lawyers, by Mark Adler and Daphne Perry. Paul Magrath reviews the new edition of a lawyer's guide to effective legal language. In her speech at last month's Criminal Law Review conference, Lady Justice Rafferty warned lawyers against needless verbosity and lack of clarity in their writing and speech. Her reflections on legal writing style were chiefly aimed at the tendency towards "long, rambling, waffling, warbling" grounds of appeal by appellate counsel in ...
