Easy Dog Biscuit Recipes: Learn How To Make Dog Biscuits With Our Homemade Dog Treat Recipes And Save Loads Of Money. This book is filled with loads of recipes that will save you money compared to buying them at the store. For example the sweet potato treats are simply going to be the cost of a sweet potato and the time it takes to make them, which isn't very long. No more will you have to go to the store and buy bags of dog treats, instead you can make them yourself. Taking out all the preservatives, additives, or whatever allergy your dog has. Learn how to make peanut butter dog treats, liver biscuits, easy sweet potato treats, and 20 more. You can make them organic by simply substituting organic bought in place. Instead of wheat flour in some which some dogs are allergic too you can substitute brown rice flour. I tired to make it easy so that some ingredients would be easily interchangeable for whatever dog allergy you dog has.

Burnt Pancakes and Crummy Biscuits The Cookbook of home style recipes by Patricia Ann Herren. First Edition, published by Herr Speights Ventures, LLC MEMORIES OF MAMA THE FLAMES OF A HIGHER FIRE COOK A FASTER MEAL When Patricia told her sisters she was writing a cookbook in memory of their mother, they all responded, "It won't have a lot of recipes, will it?" Their mother, Juanita Woods-Herren, simply wasn't a great cook. It just wasn't her favorite thing. So, she'd crank up the flames to hurry the process along, dressing her eggs in frilly lace and burning rings around all her pancakes. Fortunately, Juanita never allowed children in the kitchen as she prepared meals, so her daughters didn't pick up too many bad habits. Out of necessity, Patricia learned to cook well on her own. Determined to make good tasting, interesting meals for her family, she took the best her mother offered and made it better, such as Pork Cake (which has become a family tradition). As a world traveler, she also collected ideas from around the world and incorporated them in her study of the art. She has now compiled what she has learned in a cookbook of home styled, southern recipes. Burnt Pancakes and Crummy Biscuits is a cookbook of good food and good humor, written by a good cook in loving memory of her mama who wasn't.

Risotto is a classic Italian dish that is extremely versatile and, once you get the hang of it, easy to make. A guide to promoting literacy in the digital age With young children gaining access to a dizzying array of games, videos, and other digital media, will they ever learn to read? The answer is yes☺if they are surrounded by adults who know how to help and if they are introduced to media designed to promote literacy, instead of undermining it. Tap, Click, Read gives educators and parents the tools and information they need to help children grow into strong, passionate readers who are skilled at using media and technology of all kinds☺print, digital, and everything in between. In Tap, Click, Read authors Lisa Guernsey and Michael H. Levine envision a future that is human-centered first and tech-assisted second. They document how educators and parents can lead a new path to a place they call "Readialand"☺a literacy-rich world that marries reading and digital media to bring knowledge, skills, and critical thinking to all of our children. This approach is driven by the urgent need for low-income children and parents to have access to the same 21st-century literacy opportunities already at the fingertips of today's affluent families.With stories from homes, classrooms and cutting edge tech labs, plus accessible translation of new research and compelling videos, Guernsey and Levine help educators, parents, and America's leaders tackle the questions that arise as digital media plays a larger and larger role in children's lives, starting in their very first years of life. Tap, Click, Read includes an analysis of the exploding app marketplace and provides useful information on new review sites and valuable curation tools. It shows what to avoid and what to demand in today's apps and e-books☺as well as what to seek in community preschools, elementary schools and libraries. Peppered with the latest research from fields as diverse as neuroscience and behavioral economics and richly documented examples of best practices from schools and early childhood programs around the country, Tap, Click, Read will show you how to: Promote the adult-child interactions that help kids grow into strong readers Learn how to use digital media to build a foundation for reading and success Discover new tools that open up avenues for creativity, critical thinking, and knowledge-building that today's children need The book's accompanying website keeps you updated on new research and provides vital resources to help parents, schools and community organizations.
