Arild Holt-Jensen (born 1937) is professor emeritus at Department of Geography, University of Bergen, Norway. He has been teaching geography in Bergen since 1965 and is the a uthor of a number of books and articles on history and concepts of geography, environmental, urban and regional planning as well as general textbooks for highschool geography. . Rewarded in 2000 'Modeens Minnemedalj ...

Geography: History and Concepts: Holt-Jensen, Arild ...

Geography: History and Concepts unapologetically advocates a holistic geography that includes the physical- and human-geographical families. Thinking geographically (Sheppard, 2015), fosters the 'homo geographicus' (Sack, 1997), and the geographical discipline is habitus for that remarkable viewpoint.

(PDF) Geography – History and Concepts: A Student's Guide ...

This book starts each chapter with a nearly intangible discussion of the philosophical aspects of geography for the respective period, then gets into very good summaries of the period, its key players and concepts. Its also sprinkled with great examples of work that illustrates research at the various periods which help cement the concepts.
