The Knights of Sparta originated as a bal masque organization in 1951, staging elaborate tableaux for many years at the Municipal Auditorium. In 1981, the Knights began parading in Orleans Parish. The first several parades rolled as Mecca/Sparta, after which the parade, as well as the bal masque, took on the name of The Knights of Sparta.

1375 A.D. - When Sir Christopher "Kit" Emory's beloved mother falls ill, he decides to seek the help of someone he met briefly at the royal court years ago-Lady Alys de Montfort, a renowned healer despite her young age. While traveling to her home at Kinwick Castle, Kit is accosted by a band of highwayman, who beat and rob him, leaving him to die. Fortunately, an escort party comes across him and Lady Alys insists they take the stranger home so she can use her skill in the healing arts to save his life. The man awakens and has no memory of his identity, but Alys believes he might be Kit Emory, a young man she'd met once when she was a young girl. Kit comforted her when the queen died and Alys never forgot his kindness to her. Alys does what she can to jog Kit's memory, even as she struggles with her growing attraction to him, knowing Kit was betrothed and must now be wed. Kit also finds his desire deepening for Alys, but he doesn't know his own name, much less if he has a wife or family. Until he recalls who he is, he refuses to commit his heart to Alys. Once Kit regains his memory and realizes he is free to pursue Alys, their road to love is anything but smooth. Join Kit and Alys as they overcome events that continue to tear them apart and threaten the love they have for one another.

"Knight of Her Heart" is the profoundly romantic and passionate journey of Lisette and Rowan - each vulnerable and less than perfect, yet worthy of finding happiness. It is a story of repentance and forgiveness; desperation and hope, and one in which loyalty, courage and love triumph over treachery and betrayal. Lady Lisette is desperate to thwart her guardian's plans and determined to do whatever she must to save her life and protect her young sister - even if she must act against her moral integrity. But just when she's acted to safeguard her future and committed the sin that plagues her conscience, she is stunned to learn that King Henry V has assigned her a protector - Lord Rowan. Lisette is hardly worthy or Henry's

# Read Online Heart Of Honor Knights Of Honor Book 5

noble warrior. Can she ever gain Rowan's forgiveness for what she has done and win his heart? Lord Rowan, King Henry's hero of Agincourt, is driven by his thirst for justice. He swore an oath to seek revenge for the death of his parents and the last thing he wants is a wife. Yet, he must marry by command of his liege. Believing he has at least gained a beautiful and biddable bride, he is challenged on every level by a woman who is spirited and independent. Just when he thinks she may be the one to help heal the bitterness he carries, he discovers her betrayal. But, does he have the right to judge her when his own past hides a shameful secret?

On the great influence of a valiant lord: "The companions, who see that good warriors are honored by the great lords for their prowess, become more determined to attain this level of prowess." On the lady who sees her knight honored: "All of this makes the noble lady rejoice greatly within herself at the fact that she has set her mind and heart on loving and helping to make such a good knight or good man-at-arms." On the worthiest amusements: "The best pastime of all is to be often in good company, far from unworthy men and from unworthy activities from which no good can come." Enter the real world of knights and their code of ethics and behavior. Read how an aspiring knight of the fourteenth century would conduct himself and learn what he would have needed to know when traveling, fighting, appearing in court, and engaging fellow knights. Composed at the height of the Hundred Years War by Geoffroi de Charny, one of the most respected knights of his age, *A Knight's Own Book of Chivalry* was designed as a guide for members of the Company of the Star, an order created by Jean II of France in 1352 to rival the English Order of the Garter. This is the most authentic and complete manual on the day-to-day life of the knight that has survived the centuries, and this edition contains a specially commissioned introduction from historian Richard W. Kaeuper that gives the history of both the book and its author, who, among his other achievements, was the original owner of the Shroud of Turin.

# Read Online Heart Of Honor Knights Of Honor Book 5

This classic fifteenth-century chronicle of King Arthur and his knights is the essential interpretation of Arthurian legend in the English language. Full of adventure, magic, and romance, these are the timeless tales of Arthur, the great warrior king of Britain; his loyal knight Lancelot; the beautiful Queen Guinevere; and the mysterious Merlin. Based on French Arthurian romances reaching back to the twelfth century, Sir James Knowles's narrative tells of the goings-on at Camelot, epic battles against invading Saxon enemies, and Arthur's quest for the Holy Grail, among many other exciting events. Sometimes published as *Le Morte d'Arthur*, these accounts of chivalry and daring escapades have inspired generations of storytellers, from the Romantic poet Alfred, Lord Tennyson to T. H. White, author of *The Once and Future King*, from American satirist Mark Twain to British comedy troupe Monty Python.

*The Ugly Knight* is a story of truth, honor, and valor. It imparts to the reader that there is more value in a good heart than one's appearance. It is an adventure of the most unlikely ugly of knights, who set out on a quest to save the day. In return for his pure heart and unselfish intentions, he is rewarded with more than his heart could ever have imagined.

Before there was a legend, there was a man. Explore the world of Camelot as seen through the eyes of her greatest champion, as the legendary Lancelot tells his tale one last time before he joins his King and Queen in the next world... This is the first volume in the Lancelot trilogy. Watch for the remainder of the series!

Knights of time past, Knights of the forgotten old code, A time of kings, queens hope a magical time. Rare men of pure hearts honor discipline, Self-sacrifice, courage, integrity, loyalty Most important, the ability to love one soul, One heart to stay true to one woman in this Life 'til the next... The heart of the knight.

Presents a modernized retelling of Malory's stories of the adventures of King Arthur and the Knights of the Round Table, along with some of the author's letters about the work and his process in writing it.

A beautiful mercenary. A knight of honor. An action-packed romance! Taylor Sullivan is a raven-haired hellion fleeing the tragic flames that destroyed her family. She arms herself with a quick sword and a sharp tongue, hiring herself out as a mercenary, willing to do whatever it takes to survive. Slane Donovan is a knight of honor, sworn to uphold his oath and his word. He seeks the woman who wears the Sullivan ring, determined to bring her back to Castle Donovan to fulfill a promise made to his brother. When he finds the fierce young beauty, her sensual innocence enflames his heart, threatening to destroy the very essence of who he is and the vows he has sworn to uphold. But there are others who seek the Sullivan woman as well, men who pose a far greater threat. Slane must protect his fiery mercenary companion from attacks, but can he protect himself from her undeniable charms? Winner of the Holt Medallion Award!

In 1351, Lady Elizabeth D'Auvers returns from exile to her ancestral English castle and finds it managed by a knight errant whose courage and looks attract her but whose secrets make her tremble. Original.
