Introduction to Kant's Anthropology is an introductory essay to Michel Foucault's translation of Immanuel Kant's 1798 book Anthropology from a Pragmatic Point of View — a textbook deriving from lectures he delivered annually between 1772/73 and 1795/96. Both works together served as his secondary thesis, although Foucault's translation of the Anthropology was published separately by Vrin in 1964. The introduction was published in an English translation by Arianna Bove on generation-online ...
