Excellent resource book for serious Korean Language learners. Not necessarily a beginners book, but excellent for when you get a little more experienced. Many grammar items are explained with several sentence examples. Index in the back to look-up specific items. Will add clarity to your learning. Price was good and delivery was fine.

Amazon.com: Customer reviews: Korean Grammar for ...

From Introduction - There is a considerable difference between first-language education and second-language education; between teaching Korean as a mother tongue and teaching Korean as a foreign language. Teaching the Korean grammatical system is essential to systematizing the language learning process because all words have both lexical properties and grammatical properties and it results in smaller gaps between language realities and language norms.

Korean Grammar for International Learners : Workbook: Im ...

This textbook is to aid students learning Korean as a second language to enhance their language skills and also to develop an understanding of Korean culture. For many years, I taught Korean to American students from kindergarten to 12th grade at The New Hope Academy, a private school in Landover Hills, Maryland.
