Maureen Jones discusses her approach to spiritual and physical healing, the Modus Operandi (MO) Technique, that has helped people get better without drugs or surgery. Using case studies featuring both celebrities and ordinary people, she shows how emotions affect our well-being and how to tap into the power of our own souls and unconditional love to help our bodies heal.

Finally, after years as a struggling radio host, Cash Peters has been given his own TV adventure show on a big-time travel network. The idea is simple: " Let ' s dump him in an unfamiliar culture in a faraway land with no money and no place to stay, and see what happens. " Unfortunately, there is one major problem: Cash doesn ' t want to go. Not only is he NOT the adventurous type, he is afraid of nearly everything and horribly allergic to the rest. Bottom line: they ' ve given the show to the wrong guy. Naked in Dangerous Places is the story of one man ' s efforts to remain sane in an insane world. Told with wit and shameless honesty, it documents a yearlong journey through exotic lands, from Kenya to Cambodia, Morocco to Dubai, as Cash drops in on fascinating cultures, eating, drinking, even sleeping in cow-dung huts with the locals, and eventually proving the truth of the old saying " What doesn ' t kill you makes you stronger. " Though, to be honest, killing you is more likely.

"An Indian-American serio-comic and magical realist epic love story about the perils of ambition, tracing the mysterious alchemy of its characters' transformation from high school in an Atlanta suburb through young adulthood in the Bay Area"--

This book will change your understanding of health and healing, you will never view disease in the same way again. With the help of this book you will be able to understand exactly why you have your specific physical or psychological illness and not only that, you will have the answers to some of the life-long issues that have been holding you back. Understanding the real, root-cause of your dis-ease will take you from being the victim to being empowered to make the best changes for a healthier you and a happier life. Sam Thorpe is an International META Medicine Master Practitioner and Master Trainer. She is a Master in Clinical NLP and Hypnotherapy, a Master Trainer of EFT Emotional Freedom Techniques, Meridian Energy Techniques and of Heart Conscious Healing, and she is a HeartMath Coach and Integrative Therapist combining these and other techniques including Colour Mirrors Therapy, Assemblage Point Alignment, Qigong and Energy Healing.

What are your symptoms and illnesses telling you about yourself? In Your Body Speaks Your Mind, renowned teacher and bestselling author Deb Shapiro shows how understanding your body's 'language of symptoms' can increase your potential for healing. She explains the interconnectedness between your physical state and your emotional, psychological and spiritual health, and reveals: How unresolved emotional and psychological issues can affect your physical health; How feelings and thoughts are linked to specific parts of the body; How you can take steps to heal your body with your mind, and your mind with your body. Your Body Speaks Your Mind shows you how to initiate communication between body and mind, and decode the priceless information your body is giving you, in order to achieve better health and a greater sense of wellbeing.
