By the author of Dress for Success and The Woman's Dress for Success Book#8212;a guide to talking and acting, as well, like the upper-crust. As Molloy sees it, nine out of ten personnel people come from blue-collar backgrounds and unconsciously prefer the "body carriage" of the upper-middle-class. In fact, just about everybody prefers everything about the upper-middle-class, it seems, so we ...

In the original version of my "Dress for Success" book I indicated that the way you dress effected your ability to sell. However, it was almost ten years before I started being hired by Fortune 500's to dress their salespeople. When I did their sales increased and when that happened I became a corporate hero.
