Macroeconomics in Context lays out the principles of macroeconomics in a manner that is thorough, up to date, and relevant to students. Like its counterpart, Microeconomics in Context, the book is attuned to economic realities--and it has a bargain price. The in Context books

File Type PDF Parkin Macroeconomics 9th

offer affordability, engaging treatment of high-interest topics from sustainability to financial crisis and rising inequality, and clear, straightforward presentation of economic theory. Policy issues are presented in context--historical, institutional, social, political, and

human well-being.

Principles of Microeconomics 2e
covers the scope and sequence of
most introductory microeconomics
courses. The text includes many
current examples, which are handled
