It also used by specialists from central and local government authorities in the area of deepening knowledge of modern technologies and solutions used for planning, managing and operating transport.

While the history of European ompetition motorcycles has been largely dominated by Italian, British, and German marques, other builders around the continent have also played significant roles from the turn of the century to present. Arranged by nation, this book examines more than two dozen important marques, including Buellaco, CZ, Elf, Husqvarna, KTM, Ossa, Peugeot, and many others. A wealth of rare photography, including a special color section, includes candid shots of the top personalities and the bikes both at rest and at speed.

The Definitive Shelby Mustang Guide takes a detailed look at the performance and styling of the 1965-1970 Shelby Mustangs in text, photographs and charts/graphs and clears up many myths and misconceptions surrounding these legendary pony cars.
