# Read Book Read Intro

The purpose of a good introduction is to engage the reader and get them to read the book. Just because someone is reading an introduction does not mean they are going to finish the book. The thing that scares people off of books is not the price—it's the commitment of time. People don't care about \$10.

The Simple View of Reading (SVR) offers one useful way to think about reading development. According to SVR, good reading comprehension requires two broad sets of abilities: word recognition and oral language comprehension. Each of these elements – word recognition and oral language comprehension – includes a set of specific component skills.
