Henry Mayers Hyndman, (born March 7, 1842, London—died Nov. 22, 1921, London), the first important British Marxist, who strongly influenced, especially in the 1880s, many other leading British Socialists, although his difficult personality antagonized most of them and lessened his political effectiveness. Educated at Trinity College, Cambridge, Hyndman played cricket for Sussex in county competitions (1863–68), travelled extensively, and worked as a journalist in London (1871–80).

Henry Mayers Hyndman | British Marxist | Britannica

If we are honest—and scientists have to be—we must admit that religion is a jumble of false assertions, with no basis in reality. The very idea of God is a product of the human imagination. It is quite understandable why primitive people, who were so much more exposed to the overpowering forces of nature than we are today, should have personified these forces in fear and trembling.
