In a competitive job market, first impressions are vital. To get an interview you ' re going to have to stand out and a well-executed cover letter is vital to ensure that you do not fall at the first hurdle. This book takes you through all the essential rules and high impact strategies to ensure your cover letter makes you stand out from the crowd. It takes a detailed look at the fifteen most common cover letter mistakes to ensure you do not make the errors that the competition will be, and covers every situation from email and fax to speculative letters, career-development letters and advert-response letters.

“ At your fingertips are the counsel, wisdom, and advice of three of the most humble, credentialed, and experienced professionals in the field of career navigation. These three men have encouraged, coached, mentored, and networked with countless, well-qualified professionals who suddenly found themselves out of a job. Through *Survive and Thrive*, these men share their advice for those whose world has just been rocked – hard. This level of counsel in one book is an absolute treasure. ” —Ron Brumbarger, Founder and President of Apprentice University “ Hinshaw, Faulconer, and Johnson have scored a big success with this book! It ' s a real and ready resource of what is important and useful in navigating the turbulent waters of the job search. They ' ve managed to provide plenty of resources for personal assessment and practical progress while driving home the need to conduct your job search in a context of community. Their book will prove to be a great asset and effective tool in gaining your next employment adventure! ” —Lou Stoops, Professional Consultant, Speaker, Trainer, and Life and Business Coach

“ The way you conduct a career search has changed radically. It is easy to find a job. It is much more competitive to find a career. With STAR stories and skills training, TNG offers an approach that helps you to stand out from the others. TNG has helped hundreds find their next career. ” —Bruce Flanagan, Career Coach and author of *It ' s Not About You, It ' s About Them*

*Visual Communication for Architects and Designers* teaches you the art of designing a concise, clear, compelling and effective visual and verbal presentation. Margaret Fletcher has developed a reference manual of best practices that gives you the necessary tools to present your work in the best way possible. It includes an impressive 750 presentation examples by over 180 designers from 24 countries in North America, South America, Europe, the Middle East, Asia, Oceania and Africa. This book offers actionable advice to solve a variety of complex presentation challenges. You will learn how to: Understand differences in communication design, representation design and presentation design and know how to use these skills to your advantage; Structure the visual and verbal argument in your presentation; Design your presentation layouts, architectural competitions, boards and digital presentations; Manage issues related to the presentation of architectural and design ideas; Present
