The Demon Inside is the second book in Peter Oxley's Infernal Aether Series, a dark gothic fantasy set in Victorian London described as "fantasy at its best," "epic" and "no holds barred." If you like electrifying action, rich characters and demons galore, then you'll love The Demon Inside.

world where people live like kings and queens among towers of steel and glass, the seed of hope takes root in Muse's soul. But hope, for a half-human half-demon creature like her, is a dangerous thing. Especially when that tentative hope springs from the honeyed words of a Prince of Hell. What is Mammon's price for freedom? Meanwhile Da'mean, her ruthless owner, would rather see her dead, than free. She belongs to him. She is his muse. And no beast will take her from him. The netherworld is harsh and violent. Muse's demon kin are merciless, blood-hungry beasts, but

little do they know, Muse
has something far more
dangerous coiled inside her,
desperate for a taste of
freedom. Her humanity.

originated with the Ashanti people of present day Ghana. Anansi's father, the Sky God Nyame, got so tired of his son's pranks that he turned him into a spider. The stories of Anansi were brought to the Caribbean by slaves, some of whom kept up the oral tradition of their people by recounting some event in the life of their village. The stories also included some folklore such as the life and times of Anansi, the trickster. Accordingly Anansi is described as a creature who was always trying to best anyone with whom he came in contact. The general idea for him was that although

small he could outsmart creatures much bigger than himself. This is actually a lesson for us that we should depend on brain power rather than the physical. Anansi took pride in this and sometimes came out on top but sometime things went badly for him. When he was victorious he was "The Man" but during the bad times he became the spider and retreated to his web to hide and wait for more opportunities to outsmart his friends. My granddaughter, Mikailah, is so enamored with Anansi, "The Man" that she only wants to hear stories in which he is victorious in
