The Devil in the Footnotes: On Reading Michael Pillsbury's ...

The premise of Michael Pillsbury's controversial book, The Hundred-Year Marathon, is alarming yet straightforward. Western strategic thinkers have been the victims of a massive deception campaign perpetrated by a group of Chinese hardliners (called the yingpai, or literally, the "hawk party") who have convinced the West that China's intentions are benign, but who are, in fact, driven by one overriding goal—for China to rise to the number one global power position and overthrow the...
