Smashwords – The Mind Thieves - A book by Lori Brighton ...

In The Mind Thieves, Brighton takes these feelings she's engendered and makes them even more pervasive than they were in the first book, creating an atmosphere that exposes just how trapped Cameron is in the mind reader world – just how backed into a corner, how monitored she is. There's also a profound sense of moral ambiguity that surrounds Cameron's circumstances, which adds an extra level of interest.

20 Best Book The Mind Thieves The Mind Readers Series ...

Mind Thieves is an enjoyable action-adventure book for young adults. It has much the feel of the Alex Ryder novels or the new Tomorrow People TV series. The writing is good, and Cameron, the central character, feels thoroughly believable. She has moods, gets angry, and does stupid things on occasions for entirely understandable reasons.

Cameron Winters is a freak, a mind reader who can hear the thoughts of those around her. Although her life has been far from ideal, she has finally found peace on a Caribbean island far away from her troubles. But her troubles are about to find her in the form of a gorgeous government agent named Maddox.

Cameron Winters is a freak. Fortunately, no one but her family knows the truth ...that Cameron can read minds. For years Cameron has hidden behind a facade of normalcy, warned that there are those who would do her harm. When gorgeous and mysterious Lewis Douglas arrives he destroys everything Cameron has ever believed and tempts her with possibilities of freedom. Determined to embrace her hidden talents, Cameron heads to a secret haven with Lewis; a place where she meets others like her, Mind Readers. But as Cameron soon finds out some things are too good to be true. When the Mind Readers realize the extent of Cameron's abilities, they want to use her powers for their own needs. Cameron suddenly finds herself involved in a war in which her idea of what is right and wrong is greatly tested. In the end she'll be forced to make a choice that will not only threaten her relationship with Lewis, but her very life. This young adult book is best for ages 14 and over. Book 1: The Mind Readers Book 2: The Mind Thieves Book 3: The Mind Games

A mysterious invention causes mayhem in a coastal English village—from “my very favourite of the four Queens of Crime” (J. K. Rowling). The ancient hamlet of Saltey, once the haunt of smugglers, now hides a secret rich and mysterious enough to trap all who enter . . . and someone in town is willing to terrorize, murder, and raise the very devil to keep that secret to themselves. When a transistor thought to be the key to telepathic communication is found, Albert Campion is called to sort fact from fiction. But the device at the center of the mystery is in the possession of two schoolboys, and whether they stole it or invented it, there are others who will kill to get hold of it. “Allingham has a strong, well controlled sense of humour, a power of suggesting character with a few touches and an excellent English style. She has a sense of the fantastic, and is never dull” —Times Literary Supplement

A riveting stand-alone short story from bestselling author Kelley Armstrong. Kat is a sixteen-year-old vampire, and she's not too happy about it. After an experiment-gone-wrong and a bullet to the heart, she now hungers for human blood, and the worst part about that is the guilt. But guilt isn't the only thing stressing her. Kat is being hunted by the Edison Group, a dangerous Cabal that is responsible for her undead state. Kat is running out of places to hide, and she has no one to turn to—until she meets Chad and Neil. They're on the run like she is, and they offer to help Kat against their common enemy. But the boys aren't all that they seem, and for Kat, deciding whether to trust them may be a matter of life or death. Set in the world of Kelley Armstrong's New York Times bestselling Darkest Powers and Darkness Rising series, "Hunting Kat" will leave you on the edge of your seat and thirsting for more.

Grace Brisbane will do anything to save her family from poverty, even marry for money. But to catch the eye of a worldly noble, inexperienced Grace will need to learn the secrets of seduction. And who better to teach her than a man whose life is devoted to pleasure? Alex Weston is the top attraction at Lavender Hills, the all-male brothel that caters to the desires of London's most fashionable women. His beauty and

sexual prowess are legendary, yet his seemingly charmed life masks an ugly truth. Alex is a prisoner in a gilded cage, blackmailed into service. He wants only freedom - until the night Grace Brisbane walks through his door. With a single kiss, what was supposed to be a business arrangement explodes into a passion unlike any Alex has ever known...or Grace dreamed possible. But love between a lady and a whore can never be - can it?"Brighton provides an original story line, well-developed characters, and a plot-full of perfect amounts of sexual intrigue, twists, and lulls that allow the atmosphere of 1860s England to develop." - Library Journal

In mid-nineteenth-century London, destitute Ivy, whose main asset is her red hair, comes to the attention of a painter of the pre-Raphaelite school who, with the connivance of her family, is determined to make her his model and muse.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Jennifer A. Nielsen, author of the NYT and USA TODAY bestselling Ascendance Trilogy, has woven an electrifying tale of greed and power, magic and destiny, and one boy's courage at the heart of it all. When Nic, a slave in the mines outside of Rome, is forced to enter a sealed cavern containing the lost treasures of Julius Caesar, he finds much more than gold and gemstones: He discovers an ancient bulla, an amulet that belonged to the great Caesar and is filled with a magic once reserved for the Gods -- magic some Romans would kill for. Now, with the deadly power of the bulla pulsing through his veins, Nic is determined to become free. But instead, he finds himself at the center of a ruthless conspiracy to overthrow the emperor and spark the Praetor War, a battle to destroy Rome from within. Traitors and spies lurk at every turn, each more desperate than the next to use Nic's newfound powers for their own dark purposes. In a quest to stop the rebellion, save Rome, and secure his own freedom, Nic must harness the magic within himself and defeat the empire's most powerful and savage leaders.

The water is calling... What if you were forced to face your darkest fears? Could you open up to something you never imagined possible? Cora Reed's devastating past has haunted her every step for years. When a chance to escape her life is presented she takes it, not knowing that she will never return to the life she left behind. Cora is thrown into a danger that not only threatens her life but also her heart. Would you risk it all for someone you love? When Darrien Locke meets Cora he only has one thing on his mind, doing his job. But, when the girl that he came to protect wins his heart, Darrien's perfectly ordered world is sent into chaos. Cora holds the real world story, while Darrien the fantasy. What happens when their two worlds collide and a power rises from the deep that sets both their worlds spinning? Water is the perfect combination of suspense, mystery, humor, and romance. Its gripping tale of love and danger, combined with a terrifically detailed world below the waves, will have readers breathless and begging for more.

For years Cameron has hidden behind a façade of normalcy, warned there were those who would do her harm should they uncover the truth...that she is a mind reader. She never imagined her biggest threat would come from the parents she thought dead. Cameron's life changes dramatically when she's abducted by her mother, a woman she hasn't seen in thirteen years. Even more shocking is the truth... Cameron's mother leads a group of rogue mind readers and their number one enemy is Cameron's very own father. Everyone has their own agenda and Cameron is caught in the middle, unsure who to trust. But one thing is clear, war looms on the horizon and in order to save those she loves, Cameron must not only pick sides, but learn to believe in herself and her powers. This book contains kissing and cursing. It is best for ages 14 and up.
