This is a collection of watercolor paintings inspired by the Biblical Scriptures. The main intention and hope of this book is to draw people back to the stories in the scriptures. I hope to cause an intrigue and desire for people to take another look, and another look, and another look. The depths and heights of these stories are unending. I also hope to open up doors of further insight, that people may begin to see things that I am unable to see. Taking line upon line, to seek out the manifold wisdom that would come to and through a manifold body.

"This tome meticulously showcases each of Kingdom Hearts' unique worlds, characters, and equipment, encompassing all the games predating Kingdom Hearts III. Study detailed summaries of each games story, along with rare concept designs and storyboards!"--

Understand Video Games as Works of Science Fiction and Interactive Stories Science Fiction Video Games focuses on games that are part of the science fiction genre, rather than set in magical milieux or exaggerated versions of our own world. Unlike many existing books and websites that cover some of the same material, this book emphasizes critical analysis, especially the analysis of narrative. The author analyzes narrative via an original categorization of story forms in games. He also discusses video games as works of science fiction, including their characteristic themes and the links between them and other forms of science fiction. Delve into a Collection of Science Fiction Games The beginning chapters explore game design and the history of science-fictional video games. The majority of the text deals with individual science-fictional games and the histories and natures of their various forms, such as the puzzle-based adventure and the more exploratory and immediate computer role-playing game (RPG).

Packed with art and visual reference materials used during development of the game, this deluxe, hardcover volume is a must-have for fans of Final Fantasy VII Remake. Final Fantasy VII Remake: Material Ultimania presents a comprehensive collection of production art and CG art assets, including character models and illustrations, locations and backgrounds, accessories, weapons, enemies, and more, all accompanied by staff commentary. This volume also includes detailed costume references, cutscene storyboards, song liner notes from the sound staff, and Q & A interviews with the Japanese voice actors. At over 300 pages, this full-color, jacketed, hardcover book is a visual tribute to the stunning new rendition of one of the most beloved RPGs of all time.

An epic tale following the lives of three women as they battle for the future of the universe... An ancient family feud, a mysterious natural disaster, and a mother's descent into madness are all interconnected across time and space in a complex riddle that must be solved before it is too late. Each woman must face her personal trials and emerge stronger than before if the universe is to be saved. The Desert in the Glass is a stirring and unnerving adventure which shows the strength of ordinary people in the face of catastrophe. "C.C. Luckey's writing is vivid, using all the human senses in descriptive details." -C.J. BOWEN, Chick Lit Café "Luckey is a fabulous writer, balancing exposition, dialogue, and action masterfully." -CORY BARCLAY, author of Devil in the Countryside

“A black tide of perversity, violence, and lush writing. I loved it.” —Joe Hill Debut author Jennifer Giesbrecht paints a darkly compelling fantasy of revenge in The Monster of Elendhaven, a dark fantasy about murder, a monster, and the magician who loves both. The city of Elendhaven sulks on the edge of the ocean. Wracked by plague, abandoned by the South, stripped of industry and left to die. But not everything dies so easily. A thing without a name stalks the city, a thing shaped like a man, with a dark heart and long pale fingers yearning to wrap around throats. A monster who cannot die. His frail master sends him out on errands, twisting him with magic, crafting a plan too cruel to name, while the monster’s heart grows fonder and colder and more cunning. These monsters of Elendhaven will have their revenge on everyone who wronged the city, even if they have to burn the world to do it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
